WC Docket No. 13-138 Acquisition of Assets of Start Wireless Group, Inc. d/b/a Page Plus Cellular by TracFone Wireless, Inc.

Dear Ms. Dortch:

By this letter, TracFone Wireless, Inc. (“TracFone”) hereby notifies the Commission pursuant to Section 63.24(e)(4) of the Commission’s rules (47 C.F.R. § 63.24(e)(4)) that it has consummated its acquisition of certain assets of Start Wireless Group, Inc. d/b/a Page Plus Cellular (“Page Plus”). Closing occurred on January 16, 2014 following issuance of public notices of the Commission’s consent to the assignment of Page Plus’s domestic and international Section 214 authorizations to TracFone on January 6, 2014 and January 9, 2014 respectively.

As noted, TracFone has acquired certain assets of Page Plus, including customers. TracFone will continue to serve those acquired customers pursuant to its own international Section 214 authorization (File No. ITC-214-20030401-00162, granted May 1, 2003). Accordingly, TracFone hereby relinquishes the Section 214 authorizations previously granted to Page Plus.

If there are questions regarding the information contained herein, please communicate directly with undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
