Scott A. White
U.S. Citizen
Principle Business: Telecommunications
Business Address:
3585 S. Town Center Drive
Suite 2
Las Vegas, NV 89135
Percent ownership: 100%

Answer to Question 13:

This assignment results from an internal corporate reorganization in which Scott White, 100% owner of Legent Communications Corporation, established a separate corporate entity, Legent Comm LLC, of which Mr. White also holds 100% ownership. All of the telecommunications assets, including customers, of Legent Communications Corporation were transferred to Legent Comm LLC. This is a pro forma transaction because both entities are 100% owned and managed by the same individual; accordingly, there was no transfer of control or change in management. The assignor is assigning its Section 214 international authority in its entirety to the assignee, Legent Comm LLC.
