A statement as to whether the applicant has previously received authority under Section 214 of the Act and, if so, a general description of the categories of facilities and services authorized (i.e., authorized to provide international switched services on a facilities basis)

Assignor/applicant Trilogy International Enterprises, LLC (formerly known as Western Wireless International Enterprises, Inc.) holds international operating authority under Section 214 of the Communications Act of 1934, as amended, to provide global facilities-based and resold telecommunications service. See File No. ITC-214-20021021-00502 and ITC-T/C-20060201-00084.

Assignee is a facilities-based international telecommunications carrier that sells international telecommunications services to consumers and business customers in the Dominican Republic and to other international telecommunications carriers for resale in the Dominican Republic and other countries.

Answer to Question 11: 10% or Greater Equity Holders of Assignee

Trilogy International Enterprises, LLC is a wholly-owned subsidiary of Trilogy International Partners LLC (“TIP”), a limited liability holding company organized under the laws of the State of Washington. The address of TIP is 155 108th Avenue, NE, Suite 400, Bellevue, Washington 98004.

Trilogy Dominicana S.A. is wholly owned by TIP through intermediate subsidiaries.

The only investors who own a 10% or greater equity interest in TIP are John Stanton and his wife, Theresa Gillespie, who jointly own 38% of the outstanding membership units of the company. Because Mr. Stanton and his wife own a special class of unit, their voting percentage – 64%--is higher than their equity percentage. Mr. Stanton and his wife are both U.S. citizens, and their address is 155 108th Street, NE, Suite 400, Bellevue, Washington 98044.
