

REQUEST FOR WAIVER

Cellular South, Inc. (“Assignee”) respectfully requests a waiver of Section 63.24(e)(4) of the Commission’s rules to allow for notification of consummation of the authorized assignment of International Section 214 authorization from MegaGate Broadband, Inc. to Assignee later than 30 days after the authorized transaction was consummated, on October 1, 2014.

An oversight in communication between Assignee’s Mississippi counsel handling the transaction closing and federal regulatory counsel for Assignee is the reason for late filing of this consummation notice.

There was no opposition filed in connection with the assignment application and no harm to the public interest will result from grant of the requested waiver. Counsel will make diligent efforts to avoid any late filings of a similar nature in the future.
