Answer to Question 13

This filing hereby notifies the Commission pursuant to Section 63.24(f) of its rules, 47 C.F.R. § 63.24(f), of the *pro forma* assignment of the international Section 214 authorization held by Georgia RSA No. 3, an indirect wholly owned subsidiary of AT&T. On October 3, 2014, Georgia RSA No. 3 was merged into New Cingular and eliminated. New Cingular now holds all the licenses formerly held by Georgia RSA No. 3.

This restructuring does not change the ultimate ownership or control of the international Section 214 authorization, as AT&T has continued to control it both before and after the restructuring. Accordingly, this assignment is *pro forma* in nature. The Commission has previously stated that “[r]egulatory review of [*pro forma*] transactions yields no significant public interest benefits, but may delay or hinder transactions that could provide substantial financial, operational, or administrative benefits for carriers.”⁴
