The following information is provided with respect to shareholders of 10% or greater of the equity interests of Assignee, Yeoman Telephone Company, Inc. ("YTCI"). Answer to Question 13

Provide in Attachment 1 a narrative of the means by which the proposed assignment or transfer of control will take place. In circumstances of a substantial assignment or transfer of control pursuant to Section 63.24(e), where the assignor seeks authority to assign only a portion of its U.S. international assets and/or customer base, please specify whether the assignor requests authority to continue to operate under any or all of its international Section 214 File Nos. after consummation; and, if so, please specify in Attachment 1 each File No. it seeks to retain in its own name. Label your response "Answer to Question 13."

As noted above, Yeoman Communications Co. ("YCC") was issued an International Telecommunications Certificate for global and/or limited global resale service, File No. ITC-214-20070831-00353. Prior to January 1, 2015, YCC was a wholly-owned subsidiary of Yeoman Telephone Company, Inc. ("YTCI"). On January 1, 2015, YCC informs the Commission that it was merged into its parent company, YTCI. As a result of this merger, the ultimate ownership and control of the entity previously holding the International Section 214 authorization did not change. Rather, the merger described herein streamlined the corporate structure.

Thus, the assignment of the International Section 214 identified herein constitutes a pro forma assignment in that it was part of an "[a]ssignment . . . from a corporation to wholly-owned direct or indirect subsidiary thereof or vice versa. . ." and was also part of a "[c]orporate reorganization that involves no substantial change in the beneficial ownership of the corporation." 47 C.F.R. §63.24(d) Note 2.
