CERTIFIED MAIL – RETURN RECEIPT REQUESTED

RE: Potential Dismissal of International Section 214 Application
File No.: ITC-ASG-20150121-00016

Dear Mr. Schu:

On January 21, 2015, COLT Telecom GmbH (Colt) filed an application notifying the Commission of the pro forma assignment of an International Section 214 license (File No. ITC-ASG-20150121-00016). The assignee in the transaction, KVH Services LLC (KVH), has a delinquent debt and the Commission cannot act on the application at this time. If the payment is not made within 30 days, we will dismiss the application without prejudice pursuant to Section 1.1910(b)(3) of the Commission's rules.¹

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.² Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.³ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁴

¹ 47 CFR § 1.1910(b)(3). In that case, Colt may refile its application with the applicable fee after the debt has been cleared.

² 47 CFR § 1.1910(a)(1). *See also Important Reminder about DCIA Red Light Rule Implementation*, Public Notice, (2004), https://apps.fcc.gov/edocs_public/attachmatch/DOC-253577A1.pdf.

³ 47 CFR § 1.1910(b)(2).

⁴ 47 CFR § 1.1910(b)(3).

Accordingly, pursuant to Section 1.1910 of the Commission's rules,⁵ we hereby provide notice that Colt's application will be **dismissed without prejudice on June 2, 2017** if the non-tax debt is not paid. Please visit the Red Light Display System's website for information on this debt and how to pay it.⁶ We look forward to your prompt attention to this matter.

Sincerely,

Denise Coca, Chief
Telecommunications & Analysis Division
