Answer to Question 13

Description of Transaction

Joint Applicants have entered into an agreement by which Blue Casa will acquire, subject to compliance with applicable notification requirements, Telscape’s retail California wireline customer base, along with account contracts, records, and other associated assets, in exchange for cash consideration. This transaction is in furtherance of private investment decisions by Telscape and its ultimate owners to redeploy a portion their capital into other ventures or investments. Blue Casa, on the other hand, is seeking to acquire the Telscape customer base and related assets, because doing so is consistent with the plans of its investors, who view the proposed transaction as a significant business opportunity.

Following the transfer, Blue Casa will provide continued service to the transferred customers under the same rates, terms, and conditions that they enjoyed previously as customers of Telscape without disruption or any other adverse impact on service quality. Thus, the transaction will be virtually transparent to affected customers. In accordance with applicable Commission and state requirements, all affected customers will be provided a minimum of thirty days’ advance written notice of the proposed transaction. Further, closing of the transaction will be subject to receipt of all required Commission and state authorizations.
