Re: ITC-ASG-20150422-00104

Blue Casa Telephone, LLC (FRN: 0020552303 (“BCT”) and Telscape Communications, Inc. (FRN: 0005040522) (“Telscape”) hereby submit the following information to supplement their application herein.

1. BCT is a limited liability company organized under the laws of the State of California. Telscape is a corporation organized under the laws of the State of Delaware.
2. BCT holds Global Facilities Based and Resale operating authority: ITC-214-20030602-00265. That authority was assigned to BCT under File No. ITC-ASG-20110204-00043.
3. Telscape holds Global Facilities Based and Resale operating authority: ITC-214-20010815-00433. Telscape will retain, and continue operating under, that international operating authority.
4. Jeff Compton and Howard Brand acquired ownership and control of BCT in early 2012, but the need to obtain Commission approval of the transfer of control was inadvertently overlooked. An application for approval of their 2012 acquisition of control of BCT (submission id: IB2015000877) and a request for special temporary authority (“STA”) to allow continued operations of BCT under their ownership and control pending approval of the transfer (submission id: 2015000878) were filed on or May 5, 2015.

Very truly yours,

John L. Clark
