Answer to Question 15 - Section 63.18(j):

Pursuant to Section 63.18(j) of the Commission's rules, 47 C.F.R. § 63.18(j), AT&T certifies that it is not a foreign carrier, but that it holds controlling interests in certain foreign carriers in destination countries where its subsidiaries provide international service. These carriers and the countries where they provide service are described above in the answer to Question 14.

Answer to Question 16 - Section 63.10:

Pursuant to Section 63.10 of the Commission's rules, 47 C.F.R. § 63.10, AT&T qualifies for non-dominant classification on the routes between the United States and all the above-listed countries because the affiliates in these countries have no market power on the foreign end of any of these routes.³ All of the above-listed affiliates have market shares under 50 percent in any relevant market on the foreign end of U.S. routes to these countries. Therefore, because all these companies lack 50 percent market share in the international transport and the local access markets in their respective foreign markets, and none is listed on the Commission's List of Foreign Telecommunications Carriers that Are Presumed to Possess Market Power in Foreign Telecommunications Markets, AT&T is presumptively classified as non-dominant on these routes.

Answer to Question 18 - Section 63.18(k):

In accordance with Section 63.18(k)(1) of the Commission's rules, 47 C.F.R. § 63.18(k)(1), AT&T certifies that all of the countries listed in its response to Question 15 (therein referencing its response to Question 14) are WTO Member countries.

Answer to Questions 29-31:

An officer of AT&T Mobility Corporation ("AMC") is signing this application on behalf of Newco. Neither AMC nor any of its affiliates currently owns or controls Newco. After the consummation of the proposed transaction, however, Newco will be a wholly owned, indirect subsidiary of AT&T, and AMC will manage Newco. In signing this application, the AMC officer's certifications about Newco pertain to that entity as it will exist and operate *post consummation* of this transaction.

³ See 47 C.F.R. §§ 63.10(a)(3).
