Re: Notification Regarding Change in Corporate Form Resulting in the *Pro Forma* Assignment of the International Section 214 Authorization of Western Communication, Inc.

Dear Ms. Dortch:

Logix Communications, LP (“Assignee”), pursuant to 47 C.F.R. § 63.24(f), notifies the Commission that it converted to a Texas limited partnership from a Texas corporation resulting in the assignment of the International Section 214 Authorization of Western Communications, Inc. d/b/a Logix Communications (“Assignor”) (Assignee and Assignor together, the “Company”) to Assignee.¹ On February 18, 2015 and April 7, 2015, Assignee attempted to notify the Commission of the conversion by filing a letter in File No. ITC-ASG-20020719-00405 indicating that the Company’s name changed as a result of a conversion of corporate form.² This notification of a *pro forma* assignment is intended to properly effectuate the conversion pursuant to the Commission’s procedures.

¹ The Company notes that the conversion was completed by filing Articles of Conversion and did not entail a merger or other transaction that extinguished the existence of Assignor. As such, Assignee is the same entity as Assignor, except that it is a limited liability company rather than a corporation.

² See *Notice of Address and Name Change*, Letter from Howard J. Siegel, Vice Pres. of External and Reg. Affairs, Logix Communications, LP to Marlene H. Dortch, Secretary, Federal Communications Commission, File No ITC-ASG-20020719-00405 (dated Feb. 18, 2015)
