Answer to Question 13

Provide in Attachment 1 a narrative of the means by which the proposed assignment or transfer of control will take place. In circumstances of a substantial assignment or transfer of control pursuant to Section 63.24(e), where the assignor seeks authority to assign only a portion of its U.S. International assets and/or customer base, please specify whether the assignor requests authority to continue to operate under any or all of its international Section 214 File Nos. after consummation; and, if so, please specify in Attachment 1 each File No. it seeks to retain in its own name. Label your response “Answer to Question 13.”

On January 26, 2016, GLC filed a petition for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Western District of Michigan (“Chapter 11 Filing”). Because the ownership of GLC did not change as a result of the Chapter 11 Filing as reflected in the response to Question 11, GLC respectfully submits that this pro forma assignment notification complies with its obligations under the Commission’s rules.
