Re: *Pro Forma* Assignment of 214 Authorization from EasyTel Communications Carrier Corporation to CoxCom, LLC, ITC-ASG-20160415-00143

The following information is provided in response to a request for clarification from the IBFS staff:

1. EasyTel Communications Carrier Corporation is the full and complete name of the entity.
2. CoxCom, LLC is a limited liability company.
3. EasyTel, which holds an international 214 authorization, was merged with and into EasyTel Merger Co., a Delaware corporation, via a Delaware Certificate of Merger and an Oklahoma Certificate of Merger, with EasyTel Merger Co surviving, effective March 30, 2016. EasyTel Merger Co. was merged with and into CoxCom, LLC, via a Delaware certificate of merger, with CoxCom, LLC surviving, effective March 31, 2016.
4. There was a change in the voting trustees of the Cox Family Voting Trust between the 2014 *pro forma* filing and the current *pro forma* filing. Jimmy W. Hayes was replaced by John M. Dyer. Mr. Dyer replaced Mr. Hayes as Chief Executive Officer and President of Cox Enterprises, Inc. in 2014.
5. CoxCom, LLC has not and is not currently providing services pursuant to EasyTel Communications Carrier Corporation's 214 authorization, ITC-214-20020509-00245.

If you require further clarifications, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Diane Law-Hsu".
