CERTIFIED MAIL – RETURN RECEIPT REQUESTED

RE: Potential Dismissal of International Section 214 Notification for Pro Forma Assignment of License File No.: ITC-ASG-20160718-00187

Dear Mr. Hansel:

On July 18, 2016, Global Telecom & Technology Americas, Inc. (Global Telecom) filed a notification for the Pro Forma Assignment of its International Section 214 authorization (File No. ITC-ASG-20160718-00187). Global Telecom has a delinquent debt and thus the Commission cannot act on the notification at this time. Global Telecom must make full payment of the debt before the Commission can grant the notification. If the payment is not made within 30 days, we will dismiss the application without prejudice pursuant to Section 1.1910(b)(3) of the Commission's rules.¹

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application/notification to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.² Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications/notification, including requests for authorization by any entity found to be delinquent in its debt to the Commission.³ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁴

Accordingly, pursuant to Sections 0.261 and 1.1910 of the Commission's rules,⁵ we hereby provide notice that Global Telecom's pro forma notification will be **dismissed without prejudice on**

¹ 47 CFR § 1.1910(b)(3). In that case, Global Telecom may refile its notification after the debt has been cleared. We note that under the Commission's rules a notification of a pro forma transaction must be filed within 30 days of the transaction, 47 CFR § 63.24(f)(2), and that refiling the notification would mean that the notification was not made within 30-day filing period and Global Telecom may be subject to enforcement action for violation of Commission rules.

² 47 CFR § 1.1910(a)(1). *See also Important Reminder about DCIA Red Light Rule Implementation*, Public Notice, (2004) https://apps.fcc.gov/edocs_public/attachmatch/DOC-253577A1.pdf.

³ 47 CFR § 1.1910(b)(2).

⁴ 47 CFR § 1.1910(b)(3).

⁵ 47 CFR §§ 0.261, 1.1910.

September 22, 2016 if the non-tax debt is not paid. Please visit the Red Light Display System's website for information on how to pay this debt.⁶ We look forward to your prompt attention to this matter.

Sincerely,

Denise Coca, Division Chief
