RE: Prime Time Ventures, LLC dba Infostructure *Notification of Pro Formal transfer of Control of Section 214 Authority*, International Bureau Submission ID IB2017000592

Dear Ms. Dortch:

On March 6, 2017, Prime Time Ventures, LLC dba Infostructure (“Infostructure”) submitted a *Notification of Pro Formal transfer of Control of Section 214 Authority* (“Notification”) in the above referenced matter. By its Notification, Infostructure advised the Commission International Bureau of a *pro forma* transfer of control whereby the Company will transfer the entirety of its assets, including its subscriber base and operations, to its affiliate Origin Networks, LLC dba Inforstructure on or about April 1, 2017. The consummation of that transaction has been predicated on obtaining regulatory approvals in several jurisdictions.

In light of the fact that the transaction remains pending final regulatory approvals, Infostructure respectfully requests that it’s pending *Notification* be held in abeyance until final regulatory approvals are granted and transaction is consummated. Inforstructure will then advise the Commission of the final date on which the transaction is consummated, and Commission action on the Company’s Notification may proceed.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
