Subject: Shah Communications, L.L.C. ITC-214-20091026-00457
Section 63.24 (f) Notifications for non-substantial or pro forma transactions

Dear Secretary Dortch:

On January 5, 2017, Shah Communications, L.L.C. (a State of New York Domestic LLC) that was doing business as Favorite Communications, LLC, was reorganized by its sole owner as Favorite Communications Ltd. in its home State of New York. Since the State of New York does not allow the direct conversion of an LLC to an Ltd., the Company's owner executed the conversion reorganization by simultaneously creating the Company's Ltd. charter while at the same time shutting down its LLC charter.

The Company's conversion reorganization is non-substantial and pro forma since the Company's owner and home state remains the same as when ITC-214-20091026-00457 was granted in November 20, 2009 and since there has been no change in controlling party. The FCC FRN 0019215458 associated with the Company's ITC-214-20091026-00457 has been updated to reflect the Company's new name Favorite Communications Ltd.

Per conversations that the Company had with the FCC International Bureau on November 5, 2016, it is submitting this FCC 214 Pro Forma Transfer of Control filing to provide notification, as well as to update the name on its FCC 214 to Favorite Communications Ltd. and to update the listed address to 265 Sunrise Hwy., Suite 1-215, Rockville Centre, NY 11570.

For any questions regarding this filing, please contact the Company's consultant Alonzo Beyene at Telephone (786) 505-1862 or via email at alonzo@iacadvice.com.

CEO of Favorite Communications Ltd.
