Introduction and Clarifying Information

The present pro forma and attachment are being submitted at the request of the Commission's staff and internal attorneys to reflect the consummation of a prior transaction by which Latin American Nautilus Limited, an Irish limited company ("LAN"), acquired all of the assets and business of its affiliate, Mediterranean Nautilus Ltd., an Irish limited company ("MED"), effective as of June 30, 2010. As part of LAN's acquisition of all of the assets and business of MED, LAN acquired, among other things, MED's Section 214 authorization, ITC – 214 – 20020412 – 0178.

After the consummation of the above-referenced transaction on June 30, 2010, LAN changed its legal name to LAN MED Nautilus Limited effective on July 15, 2010. LAN again changed its name to TI Sparkle Ireland Telecommunications Limited effective on November 17, 2016.

After the sale of its assets and business to LAN on June 30, 2010, MED was merged into Telecom Italia Sparkle Luxembourg SA, LAN and MED's then sole shareholder. After MED was merged into Telecom Italia Sparkle Luxembourg SA the latter was in turn merged into its sole shareholder, Telecom Italia Sparkle S.p.A.

As a result of the foregoing transactions, MED no longer exists as a legal entity and LAN presently exists under the legal name TI Sparkle Ireland Telecommunications Limited, whose current sole shareholder is Telecom Italia Sparkle S.p.A.

Answer to Question 13:

Provide a narrative of the means by which the proposed assignment or transfer of control will take place:

As discussed in the first page to this Attachment 1, the assignment of MED's Section 214 authorization occurred on June 30, 2010. LAN hereby notifies the Commission of the *pro forma* assignment of the international Section 214 authorization held by MED as a result of an internal corporate restructuring of Telecom Italia Sparkle S.p.A, the sole shareholder, *inter alia*, of LAN and MED through which LAN acquired the assets and business of MED. As this transaction did not change the ultimate control of the Section 214 authorization holder, the transaction is *pro forma* in nature.
