**Answer to Question 13.**Description of the *Pro Forma* Transaction:

As part of its effort to streamline its corporate structure, First Communications, LLC (“FCL”) merged Xtension Services Inc. (“XSI”) into FCL on September 30, 2017, with FCL as the surviving entity. The transaction will be virtually transparent to the customers of XSI. The merger will not result in a change to any aspect of a customer’s services, including the rates, terms and conditions, the format of their bills, and their customer service contacts including the toll free numbers. Prior to the merger XSI and FCL shared the same officers and used the same sales and customer service teams. The merger and change in control are *pro forma* and will not result in the actual controlling party of either party, except that XSI will cease to exist upon completion of the merger with FCL.
