

Description of Transaction – 214 *Pro Forma* Assignment

Pursuant to Section 63.24(f) of the Rules of the Federal Communications Commission (“FCC” or “Commission”), Peoples Communications, LLC hereby notifies the FCC of its recent corporate restructuring and resulting *pro-forma* assignment of the international section 214 authority from Peoples Communications, Inc. to Peoples Communications, LLC.

Peoples Communications, Inc. was wholly owned by Peoples Telephone Cooperative, Inc. (“PTC”). In a recent corporate restructuring, Peoples Communications, Inc. was converted to Peoples Communications, LLC, a limited liability company organized under the laws of the state of Texas. Peoples Communications, LLC certifies that this transfer is *pro forma* and that, together with all previous *pro forma* transactions, does not result in a change of the actual controlling entity.

Peoples Communications, LLC is wholly owned by PTC, which is organized as a member-owned cooperative. No member holds a 10% or greater ownership interest in PTC.

Answer to Question 13

As explained above, Peoples Communications, Inc. was converted to a limited liability company, Peoples Communications, LLC, with no change in the ultimate ownership or control of the entity.

¹ The International Bureau Filing System reflects that the international 214 authority associated with File No. ITC-214-19940201-00028 is issued in the name of “Peoples Comm, Inc.”, however, the correct corporate name of the entity was Peoples Communications, Inc.
