Re: ITC-T/C-20180112-00010

Dear Secretary Dortch:

Network Billing System, LLC dba Fusion dba Solex hereby informs the International Bureau of the following three corrections to its *International Section 214 Authorizations for Assignment or Transfer of Control* application, FCC Form 214TC, submitted electronically via the International Bureau Filing System on January 12, 2018 ("Application"):

- 1) **Classification of Filing, Application Section 3:** The Application designated the Classification of Filing as a "b. Transfer of Control of Section 214 Authority." The Classification of Filing should have been classified as "a. Assignment of Section 214 Authority."
- 2) **Percentage of Ownership, Application Section 11:** The Application inadvertently reflected that no entity owned at least ten (10) percent of the equity of the assignee/transferee. The assignee is a wholly owned subsidiary of another entity, as detailed in Attachment 2 to the Application *Answer to Question 11*. The response to Application Section 11 should be "yes," accordingly.
- 3) **Answer to Question 11, Application Attachment 2 in Response to Section 11:** Application Attachment 2 inadvertently retained a second page that is no longer applicable. Attachment 2 has been amended and resubmitted via the International Bureau Filing System.

Thank you for your attention to this matter. I regret any inconvenience. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
