Re: ITC-T/C-20180112-00010

Dear Secretary Dortch:

Network Billing System, LLC dba Fusion dba Solex ("NBS") hereby submits the following supplemental information regarding its *International Section 214 Authorizations for Assignment or Transfer of Control* application, FCC Form 214TC, submitted electronically via the International Bureau Filing System on January 12, 2018 ("Application") and amended on January 16, 2018:

- 1) **Classification of Filing, Application Section 3:** The Application designated the Classification of Filing as a "b. Transfer of Control of Section 214 Authority." The Classification of Filing should have been classified as "a. Assignment of Section 214 Authority." This was already noted in the January 16, 2018 amendment.
- 2) **Assignee, Application Section 7:** The Application inadvertently reflected the assignor as the assignee following automatic FRN population of fields. NBS is now correctly identified as the Assignee/Transferee as set forth in "Attachment 3," attached.
- 3) **State of Formation:** Assignee, NBS was formed in the State of New Jersey as now reflected in the attachment entitled "Answer to Question 13 Amended."
- 4) **States Where Customers are Located:** A listing of states where customers are located has been added to the attachment entitled "Answer to Question 13 Amended."

Thank you for your attention to this matter. I regret any inconvenience. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
