Dear Ms. Dortch:

The U.S. Department of Justice, with the concurrence of the U.S. Department of Homeland Security and the U.S. Department of Defense (collectively, “the Agencies”), requests that the Federal Communications Commission (“Commission”) defer action on the above-referenced *pro forma* assignment notification and refer the matter to the Agencies for review. The Agencies will review this matter for national security, law enforcement, and public safety issues. We therefore request that the Commission defer action until the Agencies notify the Commission of the completion of the review and, based on the results of such review, request appropriate action by the Commission.

The Agencies will advise the Commission promptly upon completion of the review relating to the above-referenced proceeding.

Thank you for your consideration.

Sincerely,

/s/

Justin Sher
