RE: Supplement to ITC-ASG-20210309-00045

This letter provides additional explanation of the ownership structure for DISH Wireless L.L.C. ("Assignee"), which is the assignee in the above-referenced application ("Application").

Assignee is a limited liability company organized under the laws of Colorado. Assignee is a direct, wholly-owned subsidiary of DISH Wireless Holding L.L.C., which in turn is a direct, wholly-owned subsidiary of DISH Network Corporation. DISH Network Corporation, a Nevada corporation, is the ultimate parent company of both entities.

The persons and entities listed in response to Question 11 of the Application all have direct ownership interests in DISH Network Corporation, in the percentages indicated. Each of the listed persons and entities thus have *indirect* ownership interests in Assignee.

Please contact me with any questions.

Sincerely,

_____/s/____
