

Answer to Question 10

This notification is being submitted following conversion of Telcom Supply, Inc. to a limited liability company and a *pro forma* reorganization of its parent companies.¹ Telcom Supply, LLC (“Telcom Supply”) is a Texas limited liability company located at 701 West Church Street, Livingston, TX 77351. It is a wholly owned subsidiary of the Livingston Telephone Company, LLC (“Livingston”), which is in turn a wholly owned subsidiary of USConnect Holdings, LLC (“USConnect”). Telcom Supply is authorized by the Commission to provide interstate and international telecommunications services and provides those services within the local exchange areas of its parent company, Livingston.² Telcom Supply was among the subsidiaries included in the application for transfer of control filed in *In the Matter of Joint Application of USConnect Holdings, Inc. et al*, WC Docket No. 21-229, ITC-T/C-20210521-00087 (the “Application”). Telcom Supply’s ultimate parent company, ITC Broadband Holdings, LLC (“ITC Holdings”), is a Delaware limited liability company located at 1791 O.G. Skinner Drive Suite A, West Point, GA 31833. ITC Holdings provides domestic and international telecommunications services through its subsidiaries but does not itself hold any Commission authorizations.

Pursuant to the Commission’s rules, the Application was granted as of July 31, 2021. The parties consummated the transaction on August 16, 2021. At that time, direct control of USConnect was transferred to ITC Rural Connect, Inc. (“ITC Rural”), a wholly owned

¹ On September 16, 2021, ITC Broadband Holdings, LLC filed a *pro forma* notification regarding the above-described transactions in IBFS File No. ITC-T/C-20210916-00138. This filing supplements that notification.

² See file no. ITC-214-20001026-00630. See also file nos. ITC-T/C-20130719-00191 and ITC-T/C-20210622-00097.

subsidiary of ITC Holdings. As a result, ITC Holdings held ultimate indirect control of Telcom Supply and other subsidiary licensees (collectively, the “Licensees”³).

Subsequent to the August closing and as explained at pages 10-11 of the Application, certain subsidiaries of ITC Holdings were reorganized. First, ITC Rural converted USConnect and all of its subsidiaries that were corporations, including Telcom Supply, to limited liability companies under relevant state laws.⁴ A chart listing the original USConnect subsidiaries and their post-reorganization names and entity types has been provided as part of Attachment 2 to this notification.

Following those conversions, on August 30, 2020, ITC Rural contributed the equity interests of USConnect to ITC Broadband Operating, LLC (“ITC Operating”) as a capital contribution in exchange for 100% of the preferred membership interests of ITC Operating. ITC Fiber Holdings, LLC also contributed certain assets and capital to ITC Operating, in exchange for the common membership interests in ITC Operating. The ultimate result of the two-step reorganization is that ITC Holdings, through ITC Operating and ITC Rural, still indirectly owns 100% of the equity interests of, and thus controls, USConnect, which in turn still owns 100% of the equity interests of each of the Licensees.

Pre- and post-reorganization charts depicting the LLC conversion and relationship among the entities involved in the *pro forma* transfer of control are provided in Attachment 2 to this notification.

³ The other licensees include: The Livingston Telephone Company, LLC; Waverly Hall Communications, LLC; Waverly Hall Telephone LLC; S&A Telephone Company, LLC; S&A Communications, LLC; South Park LLC; The Rye Telephone Company; CableCo, LLC; Newcastle Holdings, LLC; Dalton Telephone Company, LLC; Dalton Communications, LLC; Elsie Communications, LLC; and USConnect Acquisitions V, LLC dba CMS IP Technologies.

⁴ Telcom Supply’s conversion to an LLC became effective on August 25, 2021.

Answer to Question 11

After the conversion and *pro forma* reorganization, the following entities continue to hold directly or indirectly a ten (10) percent or greater equity or voting interest in Telcom Supply:

Name: Livingston Telephone Company, LLC
Address: 701 West Church Street
Livingston, TX 77351
Citizenship: United States (TX)
Principal Business: Holding Company
Percentage Owned: Livingston Telephone Company, LLC is a wholly owned direct subsidiary of USConnect Holdings, LLC. Livingston Telephone Company, LLC is the immediate parent of and directly owns 100% equity interest in Telcom Supply.

Name: USConnect Holdings, LLC
