JOINT DOMESTIC AND INTERNATIONAL APPLICATION

Pursuant to Section 214 of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214, and Sections 63.01, 63.03, 63.04, 63.18 and 63.24 of the Federal Communications Commission's ("Commission") rules, 47 C.F.R. §§ 63.01, 63.03, 63.04, 63.18, and 63.24, Futurum Communications Corporation dba Forethought.net ("Futurum") and San Isabel Telecom, Inc. ("San Isabel") (hereinafter collectively "Assignors"); and Vero Broadband, LLC (hereinafter "Vero Broadband" or "Buyer" or "Assignee") (Assignors and Buyer are hereinafter collectively the "Applicants"), hereby respectfully request Commission consent for the transfer of the assets of Assignors to Buyer including the assignment of Section 214 authorities held by Assignors (the "Joint Application").

Pursuant to an Asset Purchase Agreement dated November 8, 2021 (the "Asset Purchase Agreement"), Vero Broadband will purchase all the rights, title, and interest in and to all of the properties and assets of the Assignors (the "Transaction").

I. REQUEST FOR STREAMLINED TREATMENT

The Applicants respectfully request streamlined treatment of this Joint Application pursuant to Sections 63.03 and 63.12 of the Commission's rules, 47 C.F.R. §§ 63.03 and 63.12, respectively. This Joint Application is eligible for streamlined processing for the domestic portion of this Joint Application pursuant to Section 63.03(b)(2) of the Commission's rules because (i) the Transaction will result in Applicants (and their Affiliates) having a market share in the interstate, interexchange market of less than 10 percent (10%); (ii) Applicants (and their Affiliates) will provide competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the Transaction; and (iii) none of the Applicants nor any of their affiliates are regulated as dominant with respect to any service.

This Joint Application also qualifies for streamlined treatment for the international portion of this Joint Application under Section 63.12 of the Commission's rules because: (1) Applicants will not be affiliated with any foreign carrier as a result of the Transaction; (2) as a result of the Transaction, the Applicants will not be affiliated with any dominant U.S. carrier whose international switched or private line services Applicants seek authority to resell, nor will the Applicants be so affiliated post-close; and (3) none of the other scenarios outlined in Section 63.12(c) of the Commission's rules apply.

The Applicants request expeditious approval of the Transaction and transfer of assets and assignment of Section 214 authority, which would serve the public interest by allowing customers to continue to receive competitive services without interruption.

Vero Broadband is a newly formed entity formed for the purpose of purchasing the assets of Assignors. As such, Vero Broadband is not yet providing telecommunications services. However, Vero Broadband's affiliate, Vero Fiber Networks, LLC, is certificated to provide telecommunications services in 23 states and is currently operating and serving customers in Arkansas, California, Colorado, Florida, Georgia, Illinois, Indiana, Missouri, Nevada, North Carolina, Ohio, South Carolina, Tennessee and Texas.

III. DESCRIPTION OF THE TRANSACTION

On March 21, 2021, Futurum filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the "Bankruptcy Code") in the United States Bankruptcy Court for District of Colorado (the "Bankruptcy Court") (Case No. 21-11331-KHT), and is operating and managing its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 12, 2021, San Isabel filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court (Case No. 21-12534-KHT) and is operating and managing its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On November 30, 2021, the Bankruptcy Court entered an order approving the Asset Purchase Agreement and the sale of substantially all of the assets of the jointly administered Futurum debtors, including the Assignors.

The Transaction will be an asset purchase agreement under which Vero Broadband will acquire 100% of the assets of the Assignors which provide fixed wireline telecommunications services in Colorado. Customers will continue to be serviced by Vero Broadband on substantially the same terms and conditions as previously provided by Futurum and San Isabel. The consummation of the Transaction will not result in an interruption, reduction, loss or impairment of services to any customer. As more fully described below in the public interest statement, customers will continue to receive a high level of technical operations and customer service.

The Transaction raises no competitive issues. Futurum, San Isabel and Vero Broadband continue to compete with other providers of telecommunication services.

Radio licenses issued to Futurum and San Isabel (the “Radio Licenses”) are included in the Transaction, and Assignment of Authorizations for transfer of the Radio Licenses are being filed as set forth in 47 C.F.R. §1.948.

No foreign carrier affiliations will result from this Transaction, and consumers will not be harmed.

IV. PUBLIC INTEREST STATEMENT

Approval of the Transaction will serve the public interest, convenience, and necessity as it will permit the continued, uninterrupted provision of high-quality service to Assignee’s customers. Approval will also promote competition in the telecommunications marketplace. The effect of the Transaction and transfer of assets from Assignors to Assignee will not result in an interruption, reduction, loss or impairment of services to any customer. Further, the Applicants are not aware of any harm to customers or to the market that will occur as a result of the Transaction. Other than a name change of the provider, the Transaction will be transparent to customers and will not have a negative impact on the public interest, services to customers, or competition. The continued provision of service by Assignee will provide customers the positive benefit of access to existing and new product offerings, Assignee’s valued personnel, and the full strength of Assignee’s financial strength, telecommunications capabilities and business expertise.

Re: Futurum Communications Corporation dba Forethought.net and San Isabel Telecom, Inc. along with Vero Broadband, LLC Request for Special Temporary Authorization to Operate Pending Approval of Joint Application for Consent to Transfer Assets and Assignment of 214 Authority

Dear Secretary Dortch,

Pursuant to 47 U.S.C. § 214, and Section 63.24 of the Commission's Rules, 47 C.F.R. § 63.24, Futurum Communications Corporation dba Forethought.net ("Futurum") and San Isabel Telecom, Inc. ("San Isabel") (hereinafter collectively "Assignors"); and Vero Broadband, LLC (hereinafter "Vero Broadband" or "Buyer" or "Assignee") (Assignors and Buyer are hereinafter collectively the "Applicants"), hereby respectfully request Special Temporary Authority ("STA") for the Applicants to consummate a pending transaction prior to final FCC approval in order to allow Vero Broadband to continue to provide service to its end user customers pending Commission approval of the section 214 application, filed concurrently herewith, (the "Joint Application").

Pursuant to the terms of an Asset Purchase Agreement dated November 8, 2021 (the "Asset Purchase Agreement"), Vero Broadband will purchase all the rights, title, and interest in and to all of the properties and assets of the Assignees (the "Transaction"). The Transaction will be an asset purchase agreement under which Vero Broadband will acquire 100% of the assets of the Assignors which provide fixed wireline telecommunications services in Colorado.

This STA is necessary and is in the public interest due to the circumstances outlined in the Joint Application namely, on March 21, 2021, Futurum filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the "Bankruptcy Code") in the United States Bankruptcy Court for District of Colorado (the "Bankruptcy Court") (Case No. 21-11331-KHT) and is operating and managing its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 12, 2021, San Isabel filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court (Case No. 21-12534-KHT) and is operating and managing its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

Pursuant to a Bankruptcy Court Order entered on November 30, 2021, the Asset Purchase Agreement and the sale of substantially all of the assets of Assignors was approved, including a closing date of December 30, 2021.

While the Joint Application is pending the Applicants request the Commission grant this STA to allow Applicants to consummate the Transaction which will allow Vero Broadband to continue to serve customers on substantially the same terms and conditions and without interruption pending Commission approval of the Joint Application. Grant of the instant STA will serve the public interest, convenience, and necessity because it will permit the continued provision of service to Assignees existing customers relying on it for telecommunications service, thereby precluding the need for any service disruption. Further, as evidenced by the Joint Applications' eligibility for streamlined processing, transactions such as these do not raise anticompetitive concerns under the Commission's rules and policies.[1]

The Applicants request temporary authority for sixty (60) days while the Application is pending. The Applicants acknowledge that the grant of this STA will not prejudice any action the Commission may take on the Application, and that once granted, the STA may be revoked on the Commission's own notice, without a hearing. The Applicants further acknowledge that grant of the STA will neither preclude nor dictate the scope of any enforcement action.

This filing with the International Bureau and the applicable credit card payment in the amount of $675.00, which satisfies the filing fee required under Table 1 of Section 1.1107 of the Commission's rules, are being submitted electronically through the MyIBFS.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.
