4. Front Range JV, LP ("JV LP")
 - a. Jurisdiction of Formation: Delaware
 - b. Address: c/o EQT Partners, Inc., 1114 Avenue of the Americas, 45th Floor, New York, NY 10036

The following entities identified in items 5, 9, and 24 below each are a limited partner ("LP") of JV LP, and as a result hold a 10% or greater indirect interest in Holdings.⁴ These entities are intended to aggregate the investment capital that the LP investors (including co-investors) in the EQT Fund and DCP Fund, respectively, have contributed to the EQT Fund and/or DCP Fund.

EQT Fund

The EQT Fund, which closed in 2019, has received EUR 9 billion (approximately \$10.1 billion) in capital commitments from its LP investors, including pension funds, banks, insurance companies, sovereign wealth funds and funds-of-funds. The LPs provide capital upon request (up to their maximum committed capital) for the investments made by the EQT Fund. Under the terms of the relevant partnership agreements, investments of capital by these limited partners are passive investments and these limited partners have no control over the day-to-day activities of the EQT Fund or its portfolio companies, including Holdings.

Investments by the EQT Fund are typically made through one or more US or Luxembourg limited partnerships, which act as aggregator vehicles for the multiple LPs and other investment arrangements, including co-investors, comprising the EQT Fund, and such partnerships and arrangements are also managed by EQT Fund Management S.à r.l. Under the structure of the EQT Fund and consistent with European Union ("EU") regulations regarding investment fund management, day-to-day control and management of any portfolio acquisition would be indirectly exercised by the applicable fund manager, EQT Fund Management S.à r.l., through its position as the manager of the EQT Fund. EQT Fund Management S.à r.l. is ultimately controlled by EQT. Under this structure, EQT has the authority to appoint (and change) the board of EQT Fund Management S.à r.l.

The immediate controlling owners — the General Partners — of each of the limited partnerships comprising the EQT Fund (including co-investor vehicles) — EQT Infrastructure IV (GP) SCS (#36); EQT Infrastructure IV (General Partner) S.à r.l. (#37), EQT Saber Topside GP LLC (#35) and the Alternative Investment Fund Manager — EQT Fund Management S.à r.l. — are all directly or indirectly owned and controlled by EQT and its owners are identified below

⁴ Each of the entities listed in this section is itself a limited partnership or limited liability company, which will have certain other members (the funds' respective LP investors and co-investors) that will not exercise any control over the entity. None of these LP investors and co-investors members will have a 10% indirect ownership interest in Holdings.

beginning with EQT Saber Topside GP LLC (#35) below. Information regarding each of these entities and their ownership are set forth below.

The DCP Fund

The DCP Fund is comprised of equity commitments from its passive LP investors, including co-investors. The DCP Fund has raised approximately \$4.05 billion in capital. The DCP Fund has also closed, which means there are no ongoing negotiations with prospective investors other than with respect to co-investors as described above. Investors in the DCP Fund as well as co-investors participate in the Holdings investment according to their respective interests in the DCP Fund as a whole (based on their commitment size). Similarly, under the terms of the relevant partnership agreements, investments of capital by these LPs are passive investments and these LP have no control over the day-to-day activities of the DCP Fund or its portfolio companies, including Holdings.

EQT and Digital Colony each exercise 45% of the control over Front Range, and thus Holdings through the Board of Directors of Front Range JV GP, LLC (#7) which has eleven members, with four directors nominated each by EQT and DCP, one director nominated by

FMR, LLC, one member, an independent non-executive Chairman, chosen by consensus between Digital Colony and EQT, and the eleventh member is the Chief Executive Officer. For Digital Colony and EQT two of their respective four Directors must also be independent.
