Response to Item 10 – Description of the Transaction

Pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”), and Section 63.24 of the Commission’s rules, 47 C.F.R. § 63.24, Siren Communications, Inc. (“SCI” or “Assignor”) and Siren Telephone Company, Inc. (“STC” or “Assignee”), hereby notify the Commission of the *pro forma* assignment of the international Section 214 authorization ITC-214-19990624-00396 (“Authorization”) from SCI to STC. SCI is a wholly owned direct subsidiary of STC. The *pro forma* assignment is the result of a business decision to move the Authorization from SCI to its parent company, STC, in order to streamline business operations and regulatory management, while continuing to enable STC’s current wholly-owned subsidiary SCI to provide international long distance services pursuant to the Authorization, subject to notification under Section 63.21(h) of the Commission’s rules, 47 C.F.R. § 63.21(h).

The assignment was *pro forma* because SCI is a wholly owned subsidiary of STC. This transaction is the type of transaction listed in Note 2 to Rule § 63.24(d) as being considered presumptively *pro forma* and not requiring prior approval from the Commission, specifically an “[a]ssignment from a corporation to a wholly owned direct or indirect subsidiary thereof or vice versa,” and specifically here from a wholly owned subsidiary to its parent.¹ When the Authorization was held by SCI, STC had ultimate control of the Authorization, and after the assignment, STC continues to have ultimate control of the Authorization. There was no change in the ultimate ownership or control of the Authorization.

STC certifies that the assignment was *pro forma* and that, together with all previous *pro forma* transactions, does not result in a change in the actual controlling party.

The *pro forma* assignment is the result of a business decision to move the Authorization from SCI to its parent company, STC, in order to streamline business operations and regulatory management, while continuing to enable STC's current wholly-owned subsidiary SCI to provide international long distance services pursuant to the Authorization, subject to notification under Section 63.21(h) of the Commission's rules, 47 C.F.R. § 63.21(h).
