

ATTACHMENT 1 TO FCC ELECTRONIC FORM
Notification of *Pro Forma* Assignment

Pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. §214 and Section 63.24(f) of the Federal Communications Commission’s (“Commission”) Rules, 47 C.F.R. § 63.24(f), Hunter Communications & Technologies LLC notifies the Commission of the *pro forma* assignment of an international Section 214 authorization to provide individual switched resale service. The present *pro forma* assignment arises as a result of the conversion of Hunter Communications, Inc. to a limited liability company. This conversion resulted in the *pro forma* assignment of the license from the former corporation to the newly converted limited liability company: Hunter Communications & Technologies LLC.¹ The conversion did not change the ultimate ownership or control of the Section 214 authorization at issue, and was therefore *pro forma* in nature. The conversion was completed on April 6, 2020. Attached hereto as Attachment 2 is a chart showing the ownership of the licensee following the conversion.

Answer to Question 10 - Section 63.18(c)-(d):

Because ultimate ownership and control of the international 214 authorization did not change as a result of the conversion to an LLC of the licensee, the Assignor and the Assignee for the present *pro forma* assignment notification have the same contact information.
