**Notification of *Pro Forma* Assignment**

Pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. §214 and Section 63.24(f) of the Federal Communications Commission's ("Commission") Rules, 47 C.F.R. § 63.24(f), Sunman Telecommunications Long Distance LLC notifies the Commission of the *pro forma* assignment of an international Section 214 authorization to provide service in accordance with the provisions of Section 63.18(e)(2) of the rules. The present *pro forma* assignment arises as a result of the conversion of Sunman Telecommunications Corporation Long Distance to a limited liability company. This conversion resulted in the *pro forma* assignment of the license from the former corporation to the newly converted limited liability company: Sunman Telecommunications Long Distance LLC.<sup>1</sup> The conversion did not change the ultimate ownership or control of the Section 214 authorization at issue, and was therefore *pro forma* in nature. The conversion was completed on September 11, 2020. Attached hereto as Attachment 2 is a chart showing the ownership of the licensee following the conversion.

**Answer to Question 10 - Section 63.18(c)-(d):**

Because ultimate ownership and control of the international 214 authorization did not change as a result of the conversion to an LLC of the licensee, the Assignor and the Assignee for the present *pro forma* assignment notification have the same contact information.
