Re: Request for Modification of License
SMITCOMS, INC. - SCL-LIC-20031209-0003
SMITCOMS, INC. - ITC-214-20040128-00071

Dear Ms. Dortch

SMITCOMS, INC., through counsel, hereby requests a modification of the above captioned licenses to include conditional language ordinarily made a part of grants involving Section 63.10 of the Commission's rules. More specifically, SMITCOMS consents to the inclusion of the language set out in the Attachment hereto, which is incorporated herein and made a part hereof.

Any questions regarding this Request for Modification of License should be directed to the undersigned.

Sincerely yours,

Curtis T. White

Attachment

Request for Modification of License

SMITCOMS, INC. consents to the inclusion of customary language in its 214 License associated with its SMPR-1 submarine cable Landing Station, specifically that portion involving Section 63.10 of Commission's rules as it may relate to affiliated dominant carriers, as follows:

Licensee shall make available half-interests in the SMPR-1 cable system to such present and future U.S. carriers as may be authorized by the Commission to acquire such capacity; and

Licensee acknowledges that as a condition of its grant the Commission retains jurisdiction to reallocate U.S. carriers' interest in capacity as authorized under its grant of license as the public interest may require, and with the requisite concurrence of the foreign administration, in order to accommodate additional carriers or for other reasons.
