Re: Supplement to Request to Modify License
SMITCOMS, INC. - SCL-LIC-20031209-0003
SMITCOMS, INC. - ITC-214-20040128-00071

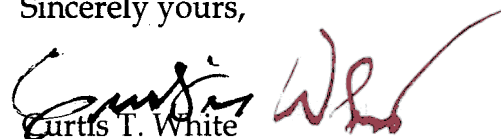

Dear Ms. Dortch:

SMITCOMS, INC., through counsel, hereby files this supplement to its request to modify its above-captioned licenses as filed with the Commission on July 14, 2005. In support hereof, the following is offered:

At the request of Commission staff, SMITCOMS acknowledges that the two provisions attached to and incorporated in its July 14, 2005 Request for Modification are conditions traditionally and customarily imposed on all section 214 authorizations issued to construct and operate submarine cable systems on a common carrier basis, and that such provisions are imposed regardless of whether a licensee is or is affiliated with a foreign carrier in the destination market of the cable.

Kindly direct any questions regarding this Supplement to Request to Modify License to the undersigned.

Sincerely yours,

Curtis T. White
