Re: **Surrender of International 214 Authorizations**
File Nos. ITC-214-19951122-00044; ITC-MOD-20050802-
00430

Dear Ms. Dortch:

At the request of FCC staff, Mobile Satellite Ventures Subsidiary LLC ("MSV") hereby files this letter formally surrendering the international 214 authority associated with file no. ITC-214-19951122-00044. MSV understands that this authorization is linked in the FCC's IBFS database with ITC-MOD-20050802-00430 and accordingly that authorization must also be surrendered in order to effectuate the database clean-up of MSV's international 214 authorizations. In granting the application associated with file no. ITC-MOD-20050802-00430, the FCC reclassified MSV as a non-dominant international carrier on the U.S.-Canada route. See Public Notice, Report No. TEL-00970, DA No. 05-3129 (December 1, 2005). MSV does not seek to change that classification and has been informed that the surrender of ITC-MOD-20050802-00430 will have no impact on that classification. With that understanding, MSV surrenders ITC-MOD-20050802-00430 and requests that the FCC update its IBFS database accordingly.

Please contact the undersigned with any questions.
