Dear Mr. Griffin:

On March 7, 2019, SatCom Global, Inc. (SatCom) filed the above referenced application with the Commission for the modification of its international Section 214 authorization, File No. ITC-214-20000803-00478. SatCom has a delinquent debt and the Commission cannot act on the application at this time. If the payment is not made within 30 days, we will dismiss the application without prejudice pursuant to Section 1.1910(b)(3) of the Commission's rules.¹

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.² Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.³ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁴

¹ 47 CFR § 1.1910(b)(3). In that case, SatCom may re-file its application with certification that the debt has been cleared.

² 47 CFR § 1.1910(a)(1); *see also Important Reminder about DCIA Red Light Rule Implementation*, Public Notice, (2004), https://apps.fcc.gov/edocs_public/attachmatch/DOC-253577A1.pdf.

³ 47 CFR § 1.1910(b)(2).

⁴ 47 CFR § 1.1910(b)(3).

Accordingly, pursuant to Section 1.1910 of the Commission's rules,⁵ we hereby provide notice that SatCom's application will be **dismissed without prejudice on Monday, June 17, 2019** if the non-tax debt is not paid. Please visit the Red Light Display System's website for information on this debt and how to pay it.⁶ We look forward to your prompt attention to this matter.
