Re: The Taino-Carib Submarine Cable System Operating between Puerto Rico and St. Thomas in the U.S. Virgin Islands and the British Virgin Islands, File No. SCL-LIC-20180702-00019

Dear Ms. Dortch:

The Taino-Carib Consortium amends the above-referenced Application filed on June 29, 2018 as follows.

First, a revised Appendix F concerning Sprint Communications Company L.P. is attached hereto.

Second, on or around June 30, 2020, MCI International, Inc., which is a party to the Application, was converted to a limited liability company and became MCI International LLC. Also as a part of the same *pro forma* reorganization, MCI Communications Corporation, one of the wholly-owned corporate entities indirectly above MCI International in the ownership hierarchy, merged into its parent Verizon Business Global LLC, thus removing it from the chain of ownership described in the Appendix D of the Application and the amendments thereto. All other information stated in Appendix D to the Application and the amendments thereto remains correct.

Third, Telefonica Larga Distancia De Puerto Rico, Inc. has withdrawn from the consortium and accordingly withdraws from the Application.

Fourth, the current ownership and voting interests of the Taino-Carib Cable System are as follows:

Party	Ownership	Voting
Antelecom N.V.	3.85898%	4.57190%

The changes in ownership and voting shares to those listed in our letter of March 8, 2019 are the result of the withdrawal from the consortium of Telefonica Larga Distancia De Puerto Rico, Inc. and Japan KDDI Corporation, do not otherwise involve the withdrawal of any party, and do not involve the addition of any party with ownership of 5% or above.
