Hi Mikelle.

Keith Fagan sent a replacement **Attachment 1** for Telenor's STA application, IBFS file, ITC-STA-20061027-00494. Could you please upload this file to IBFS accordingly? I assume we remove the earlier-submitted attachment in lieu of this one (George/JoAnn, correct me if I'm wrong on that).

Thanks!

No, that was wrong too. **Here's the corrected version.**

Keith, just checking, should I assume that **Attachment 2** was correct as originally submitted?

Howard: One of the attachments I sent you last week had outdated ownership information. Here is the correct version. Sorry for the confusion. KF
