Application of Easynet Group Inc. for Special Temporary Authority

Answer to Question 10

Easynet Group Inc. ("Easynet Inc.") seeks Special Temporary Authority ("STA") from the Commission to continue providing international telecommunications services pursuant to its Section 214 authorization (File No. ITC-214-19971216-00791) pending the Commission's consideration of its application for a transfer of control of Easynet Inc. to British Sky Broadcasting Group Plc. ("B Sky B").

The transfer of control has already been consummated. On January 6, 2006, B Sky B Broadband Services Limited, a wholly-owned subsidiary of B Sky B, acquired the entire issued capital of Easynet Group Limited. As a result of this transaction, Easynet Group Limited became a wholly-owned subsidiary of B Sky B. Easynet Group Limited is the parent of Easynet Inc., the holder of Section 214 authority to provide international telecommunications on a global facilities basis and resale basis. Due to an administrative oversight, the parties regrettably did not request authorization from the Commission prior to the transfer of control. However, B Sky B and Easynet Inc. have taken a number of concrete steps to ensure that such an oversight is not repeated and to ensure future compliance with the Commission's rules. Simultaneously with this application, an application for the transfer of control of Easynet Inc. to B Sky B is also being filed (File No. ITC-TC-20071220-00517). Easynet Inc. acknowledges that the grant of the STA will not prejudice any action the Commission may take on this underlying transfer of control application.

Answer to Question 16

Easynet Inc. submits the following information requested in Sections 63.18(d), (e)(3), and (g) of the Commission's rules.

63.18 (d): Easynet Inc. holds global facilities-based and global resale authority pursuant to Section 63.18(e)(2) of the Commission's Rules. (File No. ITC-214-19971216-00791). B Sky B holds no international Section 214 authorizations.

63.18(e)(3): Easynet Inc. seeks STA from the Commission to continue to provide international telecommunications on a global facilities basis and resale basis pending the approval of an application for transfer of control. It does not seek any other authorizations. Easynet Inc. certifies that it will comply with applicable terms and conditions contained in Sections 63.21, 63.22, and 63.23 of the Commission's rules.

63.18(g): Easynet Inc. certifies that an authorization of its facilities is categorically excluded from environmental processing as defined by Section 1.1306 of the Commission's

Easynet Group Inc. ("Easynet Inc.") seeks Special Temporary Authority ("STA") from the Commission to continue providing international telecommunications services pursuant to its section 214 authorization (File No. ITC-214-19971216-00791) pending the Commission's consideration of its application for a transfer of control of Easynet Inc. to British Sky Broadcasting Group Plc. Easynet Inc. also acknowledges that the STA, if granted, can be revoked by the Commission upon its own motion without a hearing.

Please note that the underlying application, ITC-T/C-20071220-00517, has been removed from streamlined processing per Joanne Ongman's e-mail of January 8, 2008 3:53p.m.

If we do not hear from you by **C.O.B. January 28, 2008**, we will assume that you do not have any concerns with the above listed applications.
