VIZADA, INC.
INTERNATIONAL SECTION 214 REQUEST FOR SPECIAL TEMPORARY
AUTHORITY

Vizada, Inc. ("Vizada") hereby requests special temporary authority ("STA"), for a period of 60 days commencing January 7, 2009 to provide Inmarsat services via the Inmarsat 4F3 satellite at 97.65° W.L. On January 7, 2009, Inmarsat services will be relocated from the 4F2 satellite currently located at 52.75° W.L. to the 4F3 satellite at 97.65° W.L.

Grant of the requested STA will serve the public interest by permitting Vizada to provide continuity of service to customers as Inmarsat services transition from the 4F2 satellite to the 4F3 satellite. Vizada currently has a pending STA application on file to provide Inmarsat services via the Inmarsat 4F2 satellite through January 17, 2009 (File No. ITC-STA-20081114-00502).

In order to provide service continuity, Vizada has requested extension of its STAs every 60 days, most recently in File No. ITC-STA-20081114-00502.

In support of this request, Vizada hereby incorporates by reference the information provided in its applications for BGAN and E&E service authority as amended, its prior STA requests, and its pleadings in those proceedings.
