A Response to Question # 10

Pursuant to 47 U.S.C. § 214, Powercom Corporation ("Powercom"), FRN: 0003745304, a nondominant domestic wireline common carrier, and Lambeau Telecom Company, LLC ("Lambeau") FRN: 0018383000 hereby request Special Temporary Authority ("STA") for a period of sixty (60) days to enable Powercom to transfer control of its customer base to Lambeau pending Commission approval of new 214 authorization for Lambeau in the submission in IB2008003138 and their joint application for transfer of control file in the submission in IB2008003141. Lambeau and Powercom request that the STA be granted as soon as possible because of the exigent circumstances described below.¹

Powercom provides local exchange telephone service, including exchange access, to customers in Wisconsin pursuant to authorization granted by the Wisconsin Public Service Commission and blanket authority under 47 C.F.R § 63.01. Recently, Powercom began experiencing financial difficulties and is under foreclosure by its secured debt holder. Due to these circumstances, Powercom is seeking to transfer its customers in good standing to Lambeau.

By agreement Lambeau, as assignee of the debt holder, BCN Telecom, Inc. ("BCN"), will acquire the collateral including: (i) all of Powercom's Contracts; (ii) all of Powercom's Inventory; (iii) all of Powercom's Equipment; (iv) all of Powercom's Patents, Trademarks, and General Intangibles; (v) to the extent not otherwise included in the foregoing, all other personal property of Powercom, whether tangible or intangible, whether now owned or hereafter acquired and wherever located; and (vi) the Proceeds and Products of the foregoing.

Lambeau is not currently authorized to provide telecommunications services in any jurisdiction, but is seeking authority to provide service in all jurisdictions where Powercom holds authorization.

Powercom and Lambeau are requesting that the Commission grant this request for Special Temporary Authority so that the transfer of customers may proceed as soon as possible.

Powercom and Lambeau acknowledge that grant of the requested STA will not prejudice any action the Commission may take on the Joint Application and that, once granted, the STA may be revoked on the Commission's own notice without hearing.
