RE: Request for Special Temporary Authority
Liberty-Bell Telecom, LLC

Dear Mr. Krech:

Liberty-Bell Telecom, LLC (“Liberty-Bell Telecom”), pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. §214 and through undersigned counsel, hereby requests Special Temporary Authority (“STA”) to allow the company to continue to provide international services to certain customers of Affinity Telecom, Inc. (“Affinity”)¹ pending Commission action on the Company’s application for permanent authority to transfer those customers from Affinity to Liberty-Bell Telecom.

As set forth in greater detail in the underlying application filed herewith, Liberty Bell Telecom has sought approval for Liberty-Bell Telecom to acquire certain customer assets from Affinity. Liberty-Bell Telecom sought and received authority to complete the transaction from the Commission’s Wireline Competition Bureau but inadvertently did not identify the requirement that the Parties also acquire authority from the Commission’s International Bureau. Liberty-Bell Telecom’s international operations were and remain limited, comprising less than 1% of the Company’s operations.

During a recent review of Liberty-Bell Telecom’s records, the company identified the need for approval from the Commission’s International Bureau in conjunction with the acquisition described above. Upon identifying that omission, Liberty Bell Telecom promptly sought approval through an application now pending before the Commission. Through this filing, Liberty-Bell Telecom seeks a grant of special temporary authority to permit continued provision of international services to the customers in question while that application is processed.

¹ Upon information and belief, Liberty-Bell Telecom believes that Affinity is no longer in operation.

Grant of this STA request will serve the public interest, convenience and necessity because such grant will permit Liberty-Bell Telecom to continue the provision of regulated service under Liberty-Bell Telecom's existing authority to the affected customers, all of whom continue to rely on the company for their telecommunications needs. Grant of this STA will ensure that Liberty-Bell Telecom can continue to meet the needs of its customers as that application is considered by the Commission. As Liberty-Bell Telecom is a small, new entrant provider, the underlying application does not raise anti-competitive concerns.

Liberty-Bell Telecom acknowledges that grant of this STA request will not prejudice any action the Commission may take on the underlying application seeking Commission approval for the transaction described herein. Liberty-Bell Telecom further acknowledge that grant of this STA may be revoked by the Commission upon its own motion without hearing.

Please do not hesitate to contact the undersigned with any questions.

Sincerely,
