

Information/Certifications for Section 63.18(i)-(m)

63.18(i). Software Cellular Network (North America) Ltd. ("SCN-NA") is affiliated with its parent company, Truphone Limited ("Truphone"), a non-dominant carrier in the United Kingdom.

63.18(j). SCN-NA offers service to the United Kingdom, where its parent company, Truphone, is a non-dominant carrier.

63.18(k). SCN-NA and its parent company Truphone lack market power within the United Kingdom. The United Kingdom is a member of the World Trade Organization.

63.18(l). SCN-NA satisfies the requirements of 63.10(a)(3). SCN-NA is not a dominant carrier within the United Kingdom. Neither SCN-NA nor its parent company Truphone has 50 percent or more market share in the United Kingdom. Neither SCN-NA nor Truphone has been deemed to be dominant by the FCC.

63.18(m). SCN-NA states that it should be granted non-dominant classification on all routes because neither SCN-NA nor Truphone has been deemed to be dominant on any route by the FCC.

Answer to Question 12

SCN-NA is a wholly-owned subsidiary of Truphone Limited ("Truphone"). Truphone is a non-dominant carrier in the United Kingdom, which is a World Trade Organization country.

Answer to Question 16

63.18(d). SCN-NA holds international Section 214 authorization File No. ITC-214-20081112-00494 to provide global or limited global facilities-based service and global or limited global resale service.

63.18(e)(3). Not applicable.

63.18(g). Not applicable.
