Marvin,

DOJ has stated that they have no objection to grant of the STA. In reviewing the STA request prior to acting on it, we have found that it is deficient. We need the applicant to file a supplement to the STA, via IBFS, acknowledging that (1) the STA can be modified or revoked by the Commission upon its own motion without a hearing, (2) the grant of the STA will not prejudice any action the Commission may take regarding on the underlying application, and (3) grant of the STA does not prejudice the Commission from taking any enforcement actions for failure to comply with the Communications Act of 1934, as amended, or the Commission's rules.

Marvin,

Since there is foreign ownership involved, we need to coordinate with the Departments of Justice and Homeland Security regarding any law enforcement or national security concerns with grant of the STA. We are waiting to hear back from DOJ/DHS before we act on the STA request.

David,

Stefan Lopatkiewicz and Del Smith passed along your contact information.

I was wondering if you could give me an update regarding an STA we filed for our client, Five9 Inc., on 1/20/2013. The submission ID is: IB2013000160.

Any information would be greatly appreciated. Thank you.

Best,
Marvin
