**Subject:** Five9 STA Renewal Filing

Ty,

Five9 has filed a request to renew it's 214 Special Temporary Authority ("STA") (ITC-STA-20130120-00016), which expires on April 16, 2013. A courtesy copy of that filing is attached below.

George Li of the FCC's International Bureau has informed us that Team Telecom/DOJ's consent is required to extend the STA. We wanted to make sure that there isn't anything further that you might need from us in consideration of extending the STA. Please note that Five9 is applying for a renewal for the maximum period of 180 days.

Please let me know if you have any questions.

Regards,  
Marvin
