

**AMENDMENT TO
FOREIGN CARRIER AFFILIATION OF AMERICAN SAMOA LICENSE, INC.**

Pursuant to 47 C.F.R. §§ 63.11 and 63.50, American Samoa License, Inc. (“ASLI”), amends its March 15, 2011, foreign carrier affiliation notification with respect to Bluesky Samoa Limited (“Bluesky Samoa,” formerly known as SamoaTel Limited) to change the legal basis for its notification.¹ Effective May 10, 2012, the Independent State of Samoa (“Independent Samoa”) became a member of the World Trade Organization.² Consequently, ASLI amends the Notification to notify the Commission pursuant to 47 C.F.R. § 63.11(b)(2)(ii), instead of 47 C.F.R. § 63.11(a). ASLI also withdraws its request for a finding of effective competitive opportunities (“ECO”) pursuant to 47 C.F.R. § 63.18(k)(3). Independent Samoa’s WTO membership renders moot the need for an ECO analysis.

With respect to the requirements of 47 C.F.R. § 63.11(e), ASLI’s responses remain unchanged since the filing of the Notification, except as follows below.
