*Applicant acknowledges the conditions of STA as stated below.*

**ANSWER TO QUESTION 10**

Angel Americas LLC ("Angel Americas"), hereby requests Special Temporary Authority ("STA") for a period of 180 days to allow Angel Americas to provide service to the customers of STi Telecom Inc. ("STi") pending approval of the applications filed for assignment of STi's international and domestic Section 214 authority to Angel Americas.<sup>1</sup>

As explained in the pending assignment applications, Angel Americas seeks Commission consent to the assignment of the international and domestic Section 214 authorizations held by STi to Angel Americas. STi is currently in bankruptcy and may soon be unable to provide telecommunications services to customers. Angel Americas has purchased the assets of STi out of bankruptcy and the associated Asset Purchase and Sale Agreement, dated February 8, 2013, has been approved by the Bankruptcy court. Only approval from the Commission is required to fully consummate the transaction.

If approval for Angel Americas to provide service to the customers of STi is not consummated prior to September 30, 2013, Angel Americas will incur significant additional expenses on October 1 that could compromise its ability to continue to provide services to the extensive customer base of STi. By granting this STA application, Angel Americas will be able to, and commits to, serve the customers of STi still holding unused or unexpired prepaid calling cards and minutes during the period authorized by the STA (and thereafter if the transfer is ultimately approved). Angel Americas has the financial and technical capabilities to provide continued and even improved service to STi's existing customers, and granting the STA requested herein is in the public interest. Furthermore, Angel Americas agrees to abide by the Authorization Conditions proposed by the Enforcement Bureau for an entity providing services to the customers of STi, and set forth in Exhibit A to this Attachment 1.

Angel Americas acknowledges that the grant of its request for Special Temporary Authority will not prejudice action by the Commission, or other reviewing agencies, on the underlying Section 214 assignment applications. Angel Americas also acknowledges that any authority granted pursuant to the request is subject to cancellation or modification upon notice, but without a hearing.

<sup>1</sup> The international 214 assignment application is ITC-ASG-20130130-00037. The Domestic 214 assignment application was filed jointly with the international applications on January 30, 2013.
