REQUEST FOR SPECIAL TEMPORARY AUTHORITY

ATTACHMENT 1

ANSWER TO QUESTION 10

Angel Americas LLC ("Angel Americas"), hereby requests an extension of its Special Temporary Authority ("STA") granted September 27, 2013, and extended to April 30, 2014,¹ for an additional period of 14 days, to allow Angel Americas to continue to provide service to the former customers of STi Telecom Inc. ("STi") pending approval of the applications filed for assignment of STi's international and domestic Section 214 authority to Angel Americas.²

STi is currently in bankruptcy and is unable to provide telecommunications services to customers. Angel Americas purchased the assets of STi out of bankruptcy and the associated Asset Purchase and Sale Agreement, dated February 8, 2013, was approved by the bankruptcy court. With the grant of the original STA, the customers of STi were transferred to Angel Americas and service has been provided during the STA period, which, as extended, expires April 30, 2014. If the STA expires prior to grant of the underlying assignment application, Angel Americas will no longer be permitted to provide services to such customers under the cards and PIN numbers they purchased from STi. As of February 26, 2014, Angel Americas estimates that approximately 299,200 cards of former STi customers are outstanding, with a face value of \$1,338,495.

By granting this STA extension request, Angel Americas will be able to, and commits to, serve the unused or unexpired prepaid calling cards and minutes of the former STi customers during the period authorized by the STA (and thereafter if the transfer is ultimately approved). Angel Americas has the financial and technical capabilities to provide continued and even improved service to such customers, and granting the STA requested herein is in the public interest. Furthermore, Angel Americas agrees to abide by the Authorization Conditions proposed by the Enforcement Bureau for an entity providing services to the customers of STi, and set forth in Exhibit A to this Attachment 1.

Angel Americas acknowledges that the grant of its request for Special Temporary Authority will not prejudice action by the Commission, or other reviewing agencies, on the underlying Section 214 assignment applications. Angel Americas also acknowledges that any authority granted pursuant to the request is subject to cancellation or modification upon notice, but without a hearing.

¹ The original STA was granted under ITC-STA-2013092600265.

² The international 214 assignment application is ITC-ASG-20130130-00037. The Domestic 214 assignment application was filed jointly with the international applications on January 30, 2013.
