EXTENSION OF SPECIAL TEMPORARY AUTHORITY

ATTACHMENT 1

ANSWER TO QUESTION 10

Next Communications, Inc., formerly known as Next Communication, Inc. (“Next Communications”), herein requests a 90-day extension of the Special Temporary Authority (“STA”) previously granted¹ to continue to provide service pursuant to international Section 214 authorization, File No. ITC-214-19990107-00014, pending grant of an application for authority to transfer control of this authorization.² The purpose of the additional requested time is to allow Next Communications to conclude and consummate an agreement to transfer all shares of Next Communications to Mr. Meimoun, a U.S. citizen and to file an updated transfer of control application that would qualify for processing on a streamlined basis.

Grant of this STA extension request is in the public interest because it will allow Next Communications to continue providing service to customers in conformance with the Commission’s rules pending approval for the company’s ownership changes. During the term of the company’s current Special Temporary Authorization, Next Communications continued to work to address homeland security and law enforcement issues of the Executive Branch Agencies (“Team Telecom”).

Next Communications acknowledges that grant of its request for Special Temporary Authority will not prejudice action by the Commission, or other reviewing agencies, on the underlying Section 214 transfer of control application, File No. ITC-T/C-20120919-00231. Next
