Re: NECC Telecom, Inc. – USA Request for Special Temporary
Authority to Operate Pending Approval of Transfer of Control
Application

Dear Ms. Dortch,

Pursuant to 47 U.S.C. § 214, NECC Telecom, Inc. – USA (FRN 0007026834) (“NECC”), hereby requests Special Temporary Authority (“STA”) for NECC to consummate a transaction prior to final FCC approval in order to allow NECC to continue to provide service to its end user customers pending Commission approval its section 214 application for domestic and international transfer of control (“Application”).

A combined Application for approval of the transfer of control was filed on January 19, 2016, on MyIBFS, Submission ID #: IB2016000168.

NECC is a toll reseller, providing resold long-distance voice telephone services in all fifty states, including the District of Columbia, the U.S. Virgin Islands, and Puerto Rico. In the meantime, during the pendency of NECC’s Application before the Commission, NECC and its owner request a grant of Special Temporary Authority to allow NECC to consummate the transaction, which will allow NECC to continue to serve its customers without interruption pending Commission approval of said Application.

NECC acknowledges that grant of the requested STA will not prejudice any action the Commission may take on the Application and that, once granted, the STA may be revoked on the Commission’s own notice, without hearing.

NECC further acknowledges that grant of an STA and the Application will not preclude enforcement action.

Respectfully submitted,
