Re: Selectel, Inc. d/b/a Selectel Wireless Request for Special
Temporary Authorization to Operate Pending Approval of Transfer
of Control Application

Dear Secretary Dortch,

Pursuant to 47 U.S.C. § 214, and Section 63.24 of the Commission's Rules, 47 C.F.R. § 63.24, Selectel, Inc. d/b/a Selectel Wireless ("Selectel") along with Ignition Wireless, LLC d/b/a Expo Mobile ("Ignition") (collectively, the "Applicants"), hereby respectfully request Special Temporary Authority ("STA") for Selectel to consummate a pending transaction prior to final FCC approval in order to allow Selectel to continue to provide service to its end user customers pending Commission approval of the section 214 application, filed concurrently herewith, (the "Application").

Pursuant to a Stock Purchase Agreement (the "Agreement"), which is subject to FCC approvals, Selectel shall transfer control of Selectel to Ignition (the "Proposed Transaction"). The Proposed Transaction will have no impact on the day-to-day operations of Selectel. Selectel will remain the certificated entity.

Disconnection of Selectel's customers is imminent unless it is able to obtain funding from Ignition which will allow Selectel to meet critical payment obligations, particularly those to Verizon, which provides underlying network services to Selectel's wireless customers.

In the meantime, SelecTel and its owners request the Commission grant this STA to allow SelecTel to consummate the Proposed Transaction which will allow SelecTel to continue to serve its customers without interruption pending Commission approval of the Application.

The Applicants request temporary authority for sixty (60) days while the Application is pending. The Applicants acknowledge that the grant of this STA will not prejudice any action the Commission may take on the Application, and that once granted, the STA may be revoked on the Commission's own notice, without a hearing. The Applicants further acknowledge that grant of the STA will neither preclude nor dictate the scope of any enforcement action.

This filing with the International Bureau and the applicable credit card payment in the amount of \$1,195.00, which satisfies the filing fee required under line 2.d. of Section 1.1107 of the Commission's rules, are being submitted electronically through the MyIBFS.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

/s/ Lance J.M. Steinhart
