Re: Alliance Global Networks, LLC and Velocity, A Managed Services Company, Inc.
Request for Special Temporary Authorization

Dear Secretary Dortch,

Pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”), 47 U.S.C. § 214, and Sections 63.01, 63.03, 63.04, 63.18 and 63.24 of the Commission’s rules, 47 C.F.R. §§ 63.01, 63.03, 63.04 and 63.24, Alliance Global Networks, LLC (“Alliance”) along with Velocity, A Managed Services Company, Inc. (“Velocity”) (collectively, the “Applicants”), hereby respectfully request Special Temporary Authority (“STA”) so that Alliance may continue to service its existing business pending Federal Communications Commission (“Commission”) approval of their joint section 214 application, filed concurrently herewith, for assignment of domestic and international authorization and for transfer of control of Alliance to Velocity (the “Joint Application”).

Effective January 1, 2020, 100% of the membership interests of Alliance was transferred to Velocity (the “Transaction”) pursuant to a Membership Interest Purchase Agreement dated as of January 1, 2020 by and between Jess DiPasquale (the “Seller”) and Velocity (the “Agreement”). The Transaction resulted in a transfer of control of domestic and international operations, *see* 47 C.F.R. §§ 63.01, 63.03, 63.04, and 63.24.

Unfortunately, the Applicants did not seek timely Commission approval of the Transaction. The oversight was inadvertent and unintentional. As soon as this failure came to the Applicants' attention, the Applicants took steps to remedy the noncompliance and to seek authority, to the extent necessary, for the continued provision of service to customers. The Applicants regret this oversight and have taken steps to ensure compliance with all applicable Commission requirements going forward.

Grant of the STA will serve the public interest by permitting the continued, uninterrupted provision of service to Alliance's customers while the Commission reviews the Joint Application. Grant of the STA also will promote competition in the interexchange telephone services marketplace. Without discounting the regulatory obligation to obtain prior approval, the Applicants note that no harm to customers or to the market occurred as a result of Applicants' oversight.

The Applicants request temporary authority for sixty (60) days while the Joint Application is pending. The Applicants acknowledge that the grant of this STA will not prejudice any action the Commission may take on the Joint Application, and that once granted, the STA may be revoked on the Commission's own notice, without a hearing. The Applicants further acknowledge that grant of the STA will neither preclude nor dictate the scope of any enforcement action related to the Transaction.

All correspondence and inquiries in connection with this filing should be forwarded to the undersigned. If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

/s/ Lance J.M. Steinhart
