Federal Communications Commission  
Office of the Secretary

Re: ITC-T/C-20050621-00232; ITC-T/C-20051006-00397; WC 05-299; Notification of Name Change; Applications for Consent to Transfer Control of Maskina Communications, Inc.

Dear Secretary Dortch:

Maskina Communications, Inc. ("Maskina Communications" or "Company"), through its undersigned attorneys, hereby notifies the Commission of the name change of "Tower PLC" to "Vyke Communications PLC," with regard to the Company's above-referenced Applications for Consent to Transfer Control of Maskina Communications, Inc. The name change occurred effective September 27, 2006.

**I. Background**

Maskina Communications filed an International Application (ITC-T/C-20050621-00232) on May 31, 2005 regarding the transfer of control of Maskina Communications from Transcom Holdings, LLC to Vyke AS f/k/a Maskina AS, which had occurred on December 2, 2004. An Amendment to the Application was filed on September 26, 2005 in response to questions from the Commission by letter dated September 16, 2005. The Company subsequently filed the International Pro Forma Transfer of Control Notification of Maskina Communications, Inc. (ITC-T/C-20051006-00397) on October 6, 2005 relating to the June 27, 2005 Tower PLC acquisition of a 100% direct ownership interest in Vyke AS f/k/a Maskina AS. The filing was pro forma because the same group of shareholders that held a controlling interest in Vyke AS f/k/a Maskina AS before the transaction held a controlling interest in Tower PLC after the transaction. The Company also filed a Domestic Application for Consent to Transfer Control of a Domestic Carrier (WC 05-299) addressing both the substantial and pro forma transfers of control on October 19, 2005. The Company was granted an extension of its domestic STA on August 11, 2006 for 180 days, and its international STA expires on March 30, 2007. Finally,

Maskina Communications filed a notification of the name change of Maskina AS to Vyke AS in the above-referenced dockets on August 28, 2006.

Maskina Communications responded to initial questions from the Department of Homeland Security (“DHS”) on October 3, 2005 and has continued to work diligently to respond to all additional questions posed by DHS since that time. Since February 2006, the Company has been working with DHS on a proposed assurances letter that, if approved, would permit DHS to release the applications back to the Commission for final action.

## II. Name Change

On September 27, 2006, the shareholders of Tower PLC changed the company’s name to “Vyke Communications PLC.” The change was registered with the Registrar of Companies for England and Wales on October 2, 2006. This change was a name change only and there was no corporate restructuring or reorganization of the company. There has been no change in the name or ownership of the licensee, Maskina Communications.

The name change of “Tower PLC” to “Vyke Communications PLC” changes the name of the transferee in the June 27, 2005 pro forma transfer of control to “Vyke Communications PLC.” Maskina Communications requests that the Commission replace “Tower PLC” with the updated name “Vyke Communications PLC f/k/a Tower PLC” in any action taken regarding the applications.

An original and four (4) copies of this letter and the signed Certification of Hans-Arne L’orange, CEO of Vyke Communications PLC f/k/a Tower PLC, are enclosed herewith. Please file stamp and return the extra copy of this filing in the self addressed, stamped envelope enclosed for this purpose. Questions regarding this filing should be directed to the undersigned.

Respectfully submitted,

Thomas K. Crowe  
Joshua T. Guyan,  
Counsel for Maskina  
Communications, Inc.
